25X1 [] from the DDA Management Staff.

25X1 f. [] attended a course at the Chamber
25X1 of Commerce on 9 September entitled "Resource Decision
Making." [] D/Comptroller, made an
excellent presentation on the subject.

2. Liaison Activities:

25X1 a. [] attended Government Open Systems
Interconnection Profile (GOSIP) meetings on 9 and
10 September at the National Bureau of Standards in
Gaithersburg, Maryland. Briefing officials from Boeing
Computer Services, Corporation for Open Systems, General
Motors, International Standards Organization, and the Office
of the Assistant Secretary of Defense pointed out that Open
Systems Interconnection (OSI) computer standards are in the
final stages of development and now may be the best time for
federal agencies to begin developing migration strategies to
the open systems architecture. Enormous cost savings are
expected to result when the government begins purchasing
computer networking products built to the emerging OSI
specifications.
